

Addendum Number Five

Integrated Security System Management
The University of Alabama
Tuscaloosa, Alabama

UA Project Number: SC-21-001

Bid Time & Date: Tuesday, April 20, 2021 at 2:00 pm local time, 405 Cahaba Circle,
Tuscaloosa, AL 35404

Date: April 19, 2021

This addendum forms a part of the Contract Documents and modifies the original Bidding Documents dated March 29, 2021. Acknowledge receipt by inserting its number on the Bid Proposal Form. Failure to do so may subject Bidder to disqualification.

This Addendum to the Bid Documents includes the following:

1. General: Revised Bid Proposal Form

- a. Bidders should delete the Bid Proposal Form Version 2 and use the Bid Proposal Form Version 3.
- b. Please do not modify the Bid Proposal Form or the Sample Project Bid Schedule. The 900 hours for installation cost on the Sample Project Bid Schedule should include 90 hrs. for a Project Manager (10%), 45 hrs. for an Engineer (5%) and 765 hrs. for a Technician (85%).

2. Answers to Questions:

In reference to the bottom portion of the addendum marked 2., do we utilize these numbers instead of the footages already listed to calculate wire? There are six (6) cameras at 185'? We are unsure of the intent of this portion. **Delete this section.**

~~6—Cameras average 185' from the term room—~~

Bid Proposal Form Version 3

BID PROPOSAL FORM

**THE BOARD OF TRUSTEES OF THE
UNIVERSITY OF ALABAMA
c/o Contract Administration
405 Cahaba Circle
Tuscaloosa, Alabama 35404**

**BID PROPOSAL FOR:
Integrated Security System Mgmt.
Proj. No. SC-21-001**

The Undersigned, as Bidder, hereby declares that the only person or persons interested in the Proposal as Principals is or are as herein named and that no other person than herein named has any interest in this Proposal or in the Contract to be entered into; that this Proposal is made without connection with any other person, company, or parties making a bid or proposal; and that it is in all respects fair and in good faith without collusion or fraud.

The Bidder further declares that he has examined the site of the work, and informed himself fully in regard to all conditions pertaining to the place where the work is to be done, and that he has examined the Drawings and Specifications, including Addenda Nos. _____ for the work and the other Contract Documents relative thereto, and that he has satisfied himself relative to the work to be performed.

The Bidder certifies by submitting this bid that they are in full compliance with the Code of Alabama, Section 39-3-1 and 39-3-4 and agrees to provide domestic products if the same are available at reasonable and competitive prices. The Bidder further certifies and agrees that if foreign made materials prices have been used as the basis of the bid because domestic products are not available at a reasonable and competitive price, there has been a downward adjustment in contract price equal to any realized savings or benefit to the Bidder and the foreign materials utilized are of an equal or greater quality.

The Bidder certifies by submitting this bid that they are in full compliance with State of Alabama Act No. 2006-557, that they are not barred from bidding or entering into a contract pursuant to Section 41-4-116, Code of Alabama 1975, and that they acknowledge that the Awarding Authority may declare the bid and/or contract void if the certification is false.

The Bidder further declares that he is aware of the tax exempt status of the Owner and that sales/use/severance taxes are **excluded** from the amount of the bid. The Owner may elect to enter into a "Purchasing Agent Agreement" as described in the Contract Documents.

In compliance with your Advertisement for Bids dated _____ and subject to all the conditions thereof, the undersigned _____

Alabama General Contractor's License # _____

Classification _____, A corporation organized and existing under the Laws of the State of _____.

A Partnership consisting of _____

Or an Individual trading as _____ of the City of _____
Hereby proposed to furnish all labor and materials and perform all work required for the construction of _____
in accordance with Drawings and Specifications.

PART 1 - BASE BID: The base bid shall be the Grand Total from the Sample Project Bid Schedule issued in Addendum 3. Bidders should also complete and return the Sample Project Bid Schedule with their bid submission.

For construction complete as shown and specified, the sum of:

\$ _____

ESTIMATED SALES TAX: \$ _____

PART 2 - UNIT PRICES FOR ADDITIONAL/UNANTICIPATED ITEMS: As a means of predetermining costs for unknown or unanticipated elements of the work, please provide unit prices as detailed below. These unit prices are not a basis for determining the low bidder, however, non-competitive unit prices may be rejected or negotiated by the Awarding Authority prior to contract award. Unit prices for additional/unanticipated items are not effective unless specifically included and agreed upon in the contract award.

A. WIRING: All wiring shall be plenum rated wiring and installed in conduit within the walls or ceiling. In situations where installation within ceiling or walls is not possible, wiring shall be installed on surface mount raceways that match existing paint schemes.

Wiring Conduit: \$ _____ per foot

Surface Mount Raceway: \$ _____ per foot

B. Unanticipated Items: Unanticipated items not listed on the enclosed quotation sheets may be purchased on a cost-plus percentage mark-up basis. Please quote a percentage mark-up above your cost that the Owner will be expected to pay for these unanticipated items. The successful bidder may be required to supply invoices from their supplier documenting their cost for the products. The successful bidder may also be required to provide a written quote listing the items to be purchased, their costs for the product(s), and the cost of the product(s) to the Owner.

Cost Plus _____% Mark-Up

C. Rates: Provide the hourly rate for below types of work. These rates should be used to figure the installation cost in Part 1: Sample Project bid schedule.

\$ _____ **Project Manager Rate per hour**

\$ _____ **Engineer Rate per hour**

\$ _____ **Technician Rate per hour**

Please provide a rate per hour for Labor \$ _____

D. Equipment Price List: Bidders should complete and return with their bid submission the OnGuard VAR/MSRP Price List (January 1, 2021) found in the Bid Documents.

E. Warranty Information: Provide warranty information in the spaces provided. For reference, warranty terms specified by the Owner are included as well:

- | | |
|---------------|-------------------|
| 1. Dortonics | Ten years limited |
| 2. Securitron | Lifetime |
| 3. Ultra-Tech | One year |
| 4. Sentrol | Lifetime |
| 5. All Wire | 15 years |
| 6. Lenel | _____ |
| 7. Avigilon | _____ |

F. Installation Time Estimation: In the Sample Project Base Bid, bidders are instructed to include 900 hours for installation broken out as project manager: 90 hrs.; engineer: 45 hrs.; and technician: 765 hrs. This allowance was set in order to more equally evaluate bid responses. In the space below, please provide your own estimate of installation hours needed to complete the sample project. This information will not determine the low bidder, but is intended to help the Owner understand and evaluate labor costs for actual projects to be awarded under the contract:

Sample Project Estimate for project manager: _____ hours

Sample Project Estimate for engineer: _____ hours

Sample Project Estimate for technician: _____ hours

To be filled out if cashier's check accompanies bid:

The undersigned further agrees that in case of failure on his part to execute the Contract Agreement and required Contract Bonds within fifteen (15) consecutive calendar days after being given written notice of the Award of the Contract, the check accompanying this Bid and the monies thereon shall be paid into the funds of **THE BOARD OF TRUSTEES OF THE UNIVERSITY OF ALABAMA, a corporation** as liquidated damages for such failure; otherwise the check accompanying this Proposal shall be returned to the undersigned.
